

1 Koh Dam Hok / Dam Khan (Chicken island)

Adjoining island. Spectucula rock formations (One is know locally as 'Trutle rock'). Sandy beaches. It is possible to stroll between islands at low tide.

2 Koh Dam Hok / Dam Khan (Chicken island)

Adjoining island. Spectucula rock formations (One is know locally as 'Trutle rock'). Sandy beaches. It is possible to stroll between islands at low tide.

3 Rayavadee Beach or Rai Ley

(Choice depends on weather/ tides). Interesting cave formations where locals pay homage to phallic symbols! White sandy beaches, good swimming, beach bar. Five star hotel with beach restaurant.

4 Rayavadee Beach or Rai Ley

(Choice depends on weather/ tides). Interesting cave formations where locals pay homage to phallic symbols! White sandy beaches, good swimming, beach bar. Five star hotel with beach restaurant.

5 Koh Khai Nok (Egg Isand)

Small isolated island, beautiful white sandy beach, suitable for swimming snorkeling, teaming with tropical fish - feed them by hand standing in the water. Always very popular. Beach bar.

6 Koh Rang Yai (Pearl Farm)

Delightful island. Roaming peacocks, bicycle trail, commercial pearl farm, volleyball, kayak's, beach restaurant with local and some international dishes. Swimming.
